make life better

KREST®

A REFINED STATEMENT FOR MODERN LIVING SPACES.

KOLORS® make life better | SINCE 1970

Elevating Stylish Living with **Quality Electrical Products**

Kolors is a Fast Moving Electrical Goods (FMEG) Company that has cemented its position as a leading player in the industry. With an unwavering focus on quality, meticulous execution, and an extensive product range, we have established ourselves at the forefront of the electrical goods market.

Since our inception in 1970 as a small trading company dealing in electrical wiring accessories, we have come a long way. Gradually, we ventured into manufacturing electrical switches and fixtures for various sectors, including homes, offices, factories, airports, and hotels. Today, we take immense pride in being the creators of international quality products that are conceived, designed, and manufactured in India.

Driven by a pursuit of excellence, Kolors offers a comprehensive range of switches, sockets, accessories, MCBs, LED architectural & outdoor lighting products, plug tops, wires & cables, lamp holders, doorbells, distribution boxes, home automation systems, and mounting boxes for diverse market segments. Our 5 state-of-the-art manufacturing plants, 13 plus regional depots & branch offices, strong workforce of over 2000 individuals, with more than 11000 products and vast network of 5000 plus Channel Partners enable us to cater to a wide customer base across India.

At Kolors, we believe in the fusion of quality, sophistication, and style. Our relentless focus on innovation and proficiency has allowed us to deliver world-class products that exude grandeur and sheer class. With a wide array of offerings, we have something to suit every style of living, ensuring that our customers find the perfect solutions for their electrical needs.

Our commitment to excellence has been recognized through prestigious accolades, including being honored with the India Design Mark twice. These acknowledgments further validate our dedication to delivering products of unmatched quality and design.

Kolors is proud to be an Indian company that stands tall in the electrical goods industry. We continuously strive to raise the bar, bringing international standard quality products with our ultra modern state-of-the-art manufacturing processes, which has helped us in claiming ISI, ISO & CE certifications. With Kolors, you can expect nothing less than superior electrical goods that enhance stylish living.

KOLORS® make life better | SINCE 1970

प्रचलित जीवन शैली के साथ-साथ गुणवत्तापूर्ण विद्युत उत्पाद

कलर्स, एक फास्ट-मूविंग इलेक्ट्रिकल गुड्स (FMEG) मैन्युफैक्चरिंग कंपनी है, जिसने खुद को उद्योग में एक अग्रणी खिलाड़ी के रूप में मजबूती से स्थापित किया है। गुणवत्ता पर हमारा बेजोड़ फोकस, निष्पादन में सूक्ष्मता और विविध श्रेणी में अटल प्रतिबद्धता हमें उद्योग जगत में सबसे आगे रखती है।

यह बात १९७० की है जब कलर्स ने एक छोटी सी व्यापारिक कंपनी को स्थापीत किया, जो कि इलेक्ट्रीकल वायरींग एक्सेसरीज़ में व्यापार करती थी। अपनी कार्यप्रणाली के दौरान, कलर्स समूह ने धीरे-धीरे घरों, कार्यलयों, कारखानों, हवाई अड्डों और होटलों के लिए इलेक्ट्रीकल स्विचीस और एक्सेसरीज़ उत्पादन के क्षेत्र में अपने कदम रखे। आज हम अंतर्राष्ट्रीय गुणवत्ता वाले उत्पादों के निर्माता होने में गर्व महसूस करते हैं जिनकी कल्पना, डिज़ाईन एवं निर्मितता भारत में ही की गई है।

काम पर प्रतिष्ठा द्वारा चालित कलर्स ने आज एक व्यापक प्रकार के वायरींग उपकरण जैसे: स्विच, सॉकेट, एक्सेसरीज़, एमसीबी, डिस्ट्रीब्युशन बॉक्स, एलईडी आर्किटेक्चरल एवं आउटडोर लाईटींग उत्पाद, प्लग टॉप, वायर एवं केबल्स, लैम्प होल्डर, डोर बेल, माउंटिंग बॉक्स और घर स्वचालन उत्पाद, इत्यादि के निर्माण से उद्योग जगत में अपना एक स्थान बनाया है। ५ अत्याधुनिक उत्पादन प्लांट्स, १३ से अधिक क्षेत्रीय डिपो और ब्रांच ऑफिस, ५००० से अधिक चैनल पार्टनर्स, २००० से ज्यादा कर्मचारियों और ११००० से ज्यादा प्रोडक्ट्स के साथ कलर्स पूरे भारत में मौजूद है और अनगिनत लोगों को विश्वस्तरीय उत्पाद प्रदान कर रहा है।

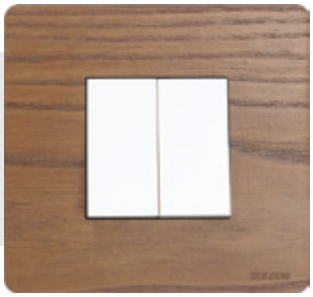

गुणवत्ता, परिष्कार और शैली का अनुसरण हमें उद्योग के शीर्ष की ओर ले जाता है। हमारे उत्पादों की विस्तृत श्रृंखला कुछ ऐसा प्रदान करती है जो जीवन की हर शैली के अनुरुप हो। हमारे इन्नोवेशन, अग्रणी दृष्टिकोण और प्रवीणता ने हमें विश्व स्तरीय गुणवत्ता वाले उत्पाद प्रदान करने में मदद की है जो भव्य जीवनशैली और विशेष श्रेणी दर्शाती है। कलर्स उत्पादों की बेजोड गुणवत्ता और हमारे अत्याधुनिक विनिर्माण संयंत्रों ने हमें ISI, ISO और CE प्रमाणीकरण का दावा करने में मदद की है। ये प्रमाणपत्र हमें दुनिया भर में कहीं भी अपने उत्पाद बेचने की अनुमति देते हैं। हमारे प्रयास का नतीजा वास्तव में पुरस्कृत हुआ है जैसे – भारत डिजाइन मार्क से दो बार सम्मानित होना।

Built for strength, crafted with sophistication

Kredo cover plates are thoughtfully engineered to combine lasting durability with refined aesthetics. Featuring a real metal plate enclosed within layers of engineering plastic, the range delivers structural strength, ease of installation, and dependable everyday performance with a clean, sophisticated finish.

(A) Face Plate
A combination of aluminium, glass, wood, and engineering plastic finishes mounted on a durable engineering plastic base for added support and stability.

(B) Engineering Plastic
The insulating plastic construction provides added safety, consistency, and long-lasting performance.

(C) Metal Frame
The GI framework provides enhanced strength and stability, helping resist bending while securely supporting inserts during installation and everyday use.

(D) Engineering Plastic
High-quality insulating engineering plastic ensures uniformity, durability, and smooth spring-action locking for easy loading and removal of inserts.

Art-inspired designs for expressive interiors

Kulture cover plates blend artistic expression with contemporary design, transforming everyday spaces into visually engaging interiors. Inspired by culture, creativity, and handcrafted detailing, each design brings a unique character and refined artistic appeal to modern living spaces.

From vibrant patterns and elegant monochrome prints to textured 3D surfaces, every plate is thoughtfully crafted to add warmth, personality, and individuality to your interiors. Recognised with the India Design Mark, Kulture reflects a perfect balance of innovation, aesthetics, and craftsmanship.

GOOD DESIGN **INDIA DESIGN MARK** awarded in 2017

India Design Mark recognises excellence in form, function, quality, innovation, sustainability, and usability while promoting aesthetically thoughtful and socially responsible design.

*AWARDED BY INDIA DESIGN COUNCIL – AN AUTONOMOUS BODY UNDER MINISTRY OF COMMERCE AND INDUSTRY, GOVERNMENT OF INDIA.

Designed to blend in.
Crafted to stand out.

Krest switches combine refined aesthetics with dependable functionality, integrating seamlessly into contemporary interiors while enhancing the overall look and feel of every space.

KREDO SWITCHES

Refined design for thoughtfully crafted interiors

Heavy-duty performance with refined styling

Designed to handle heavy electrical loads with durability, these switches combine dependable performance with a refined visual appeal. Silver-plated current-carrying components ensure excellent conductivity, while high-copper-content brass terminals help reduce heat buildup and makes engineering plastic housing last long. Precision-engineered knobs provide secure contact and smooth operation for reliable everyday use.

Welcome To Smarter Ways of Living

Discover the Power of KULT Home Automation

Experience smarter, more connected living.

KULT HOME AUTOMATION

Welcome to the world of KULT Home Automation, where intelligent technology meets modern living. Designed to enhance comfort, convenience, and ambience, KULT transforms everyday spaces with seamless touch, app, and voice-controlled automation.

Available in elegant glass and engineering plastic finishes, KULT Home Automation devices blend effortlessly with Kredo, Kredo Java, Krest, Kara, Konix, Klassic, and Kulture cover plates — bringing together advanced functionality and refined aesthetics for contemporary interiors.

KULT HOME AUTOMATION

TOUCH THE FUTURE

Smart Living at your Fingertips

KULT Home Automation combines intelligent technology with sleek modular design to simplify everyday living. Easily operate lights, fans, blinds, and connected appliances through touch, voice commands, or the KULT mobile app — all while integrating smoothly with your existing setup.

Create personalised scenes, schedule everyday operations, and enjoy the convenience of smarter living with effortless automation and intuitive control.

Features

- Integrates with existing wiring
- Compatible with existing home internet (2.4 GHz)
- Control lights, fans, and blinds / curtains through the KULT Home Automation App
- Unlimited scenes and schedules
- Voice control with Amazon Alexa
- Unlimited app users

Disclaimer

- The print process does not allow for exact reproduction of the material, colour, print and finishes of the products. Actual products may vary from the product shown in this catalogue.
- The Company undertakes to replace or repair products at its discretion should it become defective solely as a result of faulty materials or workmanship within 2 (Two) years for Kult devices. The warranty will be invalid if the product has not been installed or maintained in accordance with the Company's instruction or any attempts has been made to rectify, dismantle or alter the product or if the original mounting boxes of the Company has not been used in conjunction with the Kult devices. The warranty does not extend to cover consequential loss or damage or installation costs arising from the defective product.
- Company will not be liable for damages arising due to incorrect installation.
- Any attempt made to rectify, dismantle or alter the product may lead to electrical shock or may destroy the product for which the Company is not responsible. The Company is also not responsible for any consequential loss or damage or installation costs arising out of the same.
- Any unauthorized opening or repair completely cancels all liabilities and rights to replacement and warranty.
- Limitation of liability: Company shall not be liable for any special, indirect, incidental or consequential damages what so ever including but not limited to loss of profit, revenue or data (whether or indirect or commercial loss for breach of any express or implied warranty on your product even if the Company has been advised of the possibility of such damages.
- The Company reserves the right to modify or change the product design and specification in the future without prior intimation. Similarly, colours and finishes are also liable to change without any prior intimation.

FAQs for Kult Home Automation

Question : Which devices are controlled by KULT smart home devices?
Answer : Lights, fans, motorized blinds/curtains are controlled by Kult smart home devices.

Question : What should I do if the KULT application is not working?
Answer : First, try refreshing the app. If it still doesn't respond or work, try restarting the app.

Question : What should I do if the switch is not working through the application?
Answer : Check if the credentials of your home Wi-Fi router are correct on the KULT application & ensure that the network strength is good.

Question : Can the KULT device work without internet?
Answer : If the internet goes down or is not available, the devices still work manually through touch.

Question : Is only Wi-Fi signal required or Wi-Fi signal with internet required for the application?
Answer : The app can work with Wi-Fi signals to command the modules even without internet, but with limited functionality. However, memory-based functions like time scheduling and group operations will require Wi-Fi with internet.

Question : Can I operate KULT devices from anywhere through the application?
Answer : Yes, you can operate the devices from anywhere in the world as long as there is Internet available where KULT devices are installed and the place from where you are operating it.

Question : How many users can use the application with one login credential?
Answer : Any number of people can use the application with one login credential.

Question : How can I share device control with my family?
Answer : Download the KULT app on your family members' phones and share the login credentials.

Question : Can room names or icons be changed or edited?
Answer : Yes, you can change and edit room names & icons on your own.

Question : Why am I not able to control the Kult device properly through the application?
Answer : Keep the app open for a few seconds and observe if the device is still Offline or Online in the application. It might be due to a bad Wi-Fi network.

Question : What should I do if someone changes the Wi-Fi credentials of the home router?
Answer : If the Wi-Fi credentials of the home router are changed, you need to update the Wi-Fi settings of each module one by one, as done during the initial installation.

Question : What should I do if the KULT device becomes non-functional?
Answer : If it's a hardware failure, you can replace the KULT device with Kolors mechanical switches.

Question : Do KULT devices work on voice commands?
Answer : Yes, KULT devices work on voice commands on third party application like Alexa virtual assistant.

Question : Is a hub required for KULT devices?
Answer : No, a hub is not required for KULT devices.

Question : Do Kult devices require any special or separate wiring?
Answer : No, Kult devices do not require any special or separate wiring ,they are electrically connected through conventional wiring.

Question : What is the difference between two switch master and two switch/four switch slave?
Answer : Two switch master is a device which can work independently as a two switch module whereas two switch/four switch slave cannot work independently, required to be connected to two switch master. Two switch master has Wi-Fi module and power supply whereas two switch/four switch slave does not have.

Question : Does fan regulator, blind/curtain control, 20A switch, Four switch require connection to two switch master?
Answer : No, they can work independently.

Question : How to decide which module (switch / fan regulator etc) to be connected for load?
Answer : We have Kult Order App to guide you to decide which module is suitable for particular loads.

DO'S

- Ensure that the switches and other module doesn't exceed the prescribed load
- Hire a licensed trained electrician for the installation

DON'TS

- Never install on live wires (mains should be switched off during installation)
- Never use wire size that isn't prescribed in the connection ratings
- Never ever open the modules
